SOUTH TAMPA CHAMBER OF COMMERCE MEMBER SPOTLIGHT

This Month's Member in the Spotlight is Dale Appell, Esquire - Law Offices of Dale Appell, P.A.

DALE APPELL
PERSONAL INJURY LAW

Dale Appell has been practicing law since 1989 and when asked what makes his business unique, he says that he combines a **passion** for achieving justice with **compassion** for his clients. That passion is evident in his continued dedication to the Chamber and the community.

Dale joined the Chamber in 2005 and has served as the Chair for the Formal Networking Committee for two years, volunteered for the Taste of South Tampa and participates in most of the Chamber events and activities.

Paint Your Heart Out Tampa has Dale as a volunteer, and he is the Past President of the Tampa Bay Alumni Associations for Duke University and University of Pennsylvania. He also is a member of the Hillsborough County Bar Association and regularly participates in the Ask-A-Lawyer program which provides free legal advice to the Tampa community.

When asked for the best business advice he ever received, he said "Always live below your means." He feels this has kept him out of trouble and allowed him the flexibility to try new things, take risks, make mistakes and become stronger both personally and professionally. And his motto for life - "If you have integrity, nothing else matters. If you don't have integrity, nothing else matters."

Dale says that the one word that describes him best is dynamic. Make sure to sign up for the next Formal Networking event on July 23rd and experience his passion and very dynamic personality. We are thankful to have him as one of our "Star" Members. Thanks for all you do, Dale!
